THE STAFF BAND OF THE ROYAL ARMY ORDNANCE CORPS

Originally this Band was formed from volunteer soldiers in 1921 shortly after the Depot had become established at Hilsea, Portsmouth. In 1922 Mr R T Stevens, a retired Bandmaster of the 3rd Battalion The Rifle Brigade was asked to develop the Band into a more organised form and he negotiated the transfer of 16 musicians from other Bands in order to raise the standard.

In January 1939 the band was officially recognised as an established Staff Band of the British Army and Bandmaster H C Jarman was appointed as Director of Music. In 1953 the band moved to Blackdown in Surrey and the next year Major Jarman handed over his command to Major F A G Goddard. Successive Directors of Music were Captain R A Y Mitchell later to become Director of Music Royal Australian Air Force, Lieutenant Colonel D R Beat MVO now Director of Music at the Royal Military School of Music, Kneller Hall, Major T Griffiths MBE who is now at the Guards Depot and Captain R J Parker who is now Director of Music of the Band of the Brigade of Gurkhas, Captain R G Swift who is now Director of Music of the Coldstream Guards. Captain D E Price became Director of Music in September 1985.

COLLEGE ACHIEVEMENTS 1984/85

Once again the College Apprentices have led a very full and active life, achieving much in their preparation for adult service.

On the military front both Apprentices and Permanent Staff took part in Exercise 'BRAVE DEFENDER' the first Home Defence Exercise of its kind.

In adventure training, an exercise took place in Kenya; in sailing Apprentices have visited Gibraltar, Spain and Ibiza and also have trained in the Solent.

The College actively participates in most sports and is represented at Army Level in many of them by the Apprentices and Permanent Staff Instructors, some of whom also compete at Combined Service Level.

A variety of activities are enjoyed by the Apprentices which now include:

JUDO
BOXING
MOTOR MAINTENANCE
PARASCENDING
CANOEING
SAILING
WINDSURFING

and many other sports and interests.

Once again community relations are everyones concern and as well as many local projects, including Great Britain Fun Run and the Wheelchair Marathon, the College raised £2030 for charity.

METHOD OF SCORING

During the contest the Judges award Points for scoring blows which land on the Target.

A scoring blow must be delivered with the front knuckle part of the clenched fist of either hand, on the Target and with force.

The Target is defined as the Front and Sides of the head and body from the natural hair line to the navel, excluding the arms and shoulders, but including the ears.

'MENS SANA IN CORPORE SANO'

QUALITIES OF A SPORTSMAN

The following definition of a 'Sportsman', was drawn up at a meeting, representative of all ranks, lasting five hours, at the Army School of Physical Training, Aldershot, on the occasion of an INTER-THEATRE OF WAR CHAMPIONSHIPS, held in the UNITED KINGDOM, in 1919, with representatives from the HOME FORCES: BRITISH EXPEDITIONARY FORCES, (FRANCE): ITALY: EGYPT: and MESOPOTAMIA, taking part.
