3 PLATOON COMMANDERS REPORT

He has had an excellent season on the Athletics Track. His successes include the College record at 200 m, the RENE Junior Champion at 400 m and 800 m to mention but a few. His general behaviour and turnout have improved under a new Platoon Sgt and I expect him to achieve a full pass in RCU before the end of term.

His only downfall is a tendency at times to speak before ~~spe~~ thinking. He must guard against this if he is to realize his full potential.

4 EDUCATION REPORT-ATTACHED

5 COMPANY COMMANDERS REPORT

Two words summarize HANCOCK's performance this term - "no change". He continues to be an excellent athlete whose superb performance are marred by his cocky, brash attitude at other times. If only he would learn to curb his tongue he could do really well in this College.
