3 PLATOON COMMANDERS REPORT

Wall has improved in all aspects of his Army life this term. I am impressed by his will to do things well and by the way he looks after his kit and his personal appearance. He is maturing and beginning to assert himself more.

In the sporting field, he is willing to have a go at most things.

A good term's work - well done.

5 COMPANY COMMANDERS REPORT

WALL has continued to impress the Permanent Staff of this Company with his smartness at drill & his turnout. As he matures I am sure we shall see his self-confidence improve. He is willing "to have a go", which is just what I like to see.
