Dear Mum + Dad,

I arrived here alright, but it is terribly cold, last night I hardly got a wink of sleep because it was so cold.

When I got back I got a Christmas card from Joanny but no sign of Megs card.

The new recruits arrived today and boy, what a time the barber is going to have

We've had nothing but inspections since we got back and 1 boy has gone absent without leave and about 6 others are planning to, and so are trying to buy themselves out.

Can't write anymore so Cheerio.

Love.

Roy.

P.S. Could you possibly send my R.S.A. certificate please.

Dear Mum + Dad,

I arrived here safely although I was half an hour late because first of all the train got into London at gone 8 o'clock and then I got on the wrong tube, but I eventually got here.

Because of our improvment over the first half of the term we are getting 3 nights off during the week plus all day Sunday unless there is a Church Parade or a sports fixture.

2 boys did not come back after half term. One gave himself up in London and came back on his own, but they are still looking for the other one.

Well I'm off, I'll be able to write each week now.

Love

Roy

night mess.

I got my number today it is 24062(650), but you can put the last 3 if you want.

We were going to go to the pictures on Thurday night, but the Corporal who was going to take us got a telegram saying that his mother is seriously ill, so he went home.

Must go and clean my kit ready for inspection by Major Jenkins (the officer in charge of "B" Company), tommorrow.

Love

Roy

P.S. I will get a warrant at half term.

Dear Mum + Dad, Thank you for my savings book.

As I told you on the telephone that I was going on a course for a week (I have enclosed the programe for it).

I have also got my posting (if you can call it that). I'm going on a 16 week shorthand course starting in February in Depot. So I'll be doing nothing for a month in Deepot after Christmas leave.

Because of the course I went on I didn't go to the New Forest.

I'm not sure whether I'll be able to come home on 27th for the 72, because I think I'm on fire picquet, if I am I'll probably be home the next weekend.

So I'll let you know.

Love
Roy.

P.S. I hope that the boiler is working soon.

It is the first exercise I've done where we've had to move about and to keep hidden. It was all rather fatiguing, but quite interesting.

When we arrived back here all other branches unloaded and off home. Not us, straight back on to normal work! I just don't know where the guy gets his energy from.

I'm hoping to come home over Easter - but don't count on it!
